FKM Guided Tours

Dear friends of the Kunstmuseum Ravensburg,

In the meantime, the Kunstmuseum can be visited without registration and without the presentation of proof. Guided tours are also possible there again.

Therefore, we cordially invite you to a break with a guided tour through the current exhibition in the Kunstmuseum. Come with us to discover the exhibition, in which artists of the 20th and 21st century deal with the topic of "time out" in a variety of ways.

The guided tours in English with Adrienne Hölz will take place on

Wednesday, June 23rd, 2021

in two groups of a maximum of ten people each. The first tour starts at 6.00 p.m., the following tour one hour later and lasts one hour each. For the event we ask you to note:

- Participation is only possible by appointment with the attached registration form and with registration confirmation.
The registration confirmation will be sent to you electronically.
Please bring them with you to the respective event
- Registrations for the FKM guided tours can only be accepted until Wednesday, 23.06.2021, 12 noon for organizational reasons. We ask for your understanding.
- The available places are limited. We ask for binding participation.
