Dear friends of the Kunstmuseum Ravensburg,

on November 15th, 2022 our general meeting took place. The board was discharged unanimously and without abstention by the general meeting for the association year. The minutes of the general meeting can be requested from the association's office if you are interested.

interested.

The Deputy Chairwoman, Ms. Dorothee Hess-Maier, has resigned from the Executive Board in accordance with her wishes. With great and heartfelt thanks for her commitment as Vice-Chair since 2014, we have bid her farewell to this body.

Her successor as Deputy Chairwoman is Dr. Anuschka Albertz. Since she was indispensable in Italy for professional reasons, she was connected online via video and introduced herself to the members in this way.

Dr. Albertz has been associated with the subject of art since her youth, studied art history, among other things, and would like to contribute her expertise, which she has also acquired due to her professional activity in a managerial position at Ravensburger Verlag GmbH, to the board. We look forward to working with her.

I was pleased to report to the members that all mediation formats supported by us, including the new projects "Kunst & Gesundheit", "FKMI", "JIM" and "Baby hört mit", are running successfully or have started in view of the number of participants.

Our latest project, FKM Interkulturell - guided tours and workshops in easy language - also got off to a great start at the first event with about 40 participants from many different countries.

Following the general meeting, our director Ute Stuffer had a very interesting conversation with the graduate restorer Jakob Wedemeyer about his activities. It is always fascinating to learn from restorers, for example, what discoveries they make while working on the works and what exciting stories emerge from them!

After the conversation, Ute Stuffer and Kristina Groß introduced us through the new exhibitions. „CARL LOHSE. EIN MALER DES EXPRESSIONISMUS“ and „VON ANGESICHT ZU ANGESICHT. ZWEI SÜDDEUTSCHE SAMMLUNGEN IM DIALOG“ guided.

We congratulate on these two, very special exhibitions with partly colorful, top-class pictures.
